

# DWA\_12 Knowledge Check

To complete this Knowledge Check, ensure you have worked through all the lessons in **Module 12: Declarative Abstractions**.

To prepare for your session with your coach, please answer the following questions. Then download this document as a PDF and include it in the repository with your code.

---

1. What are the benefits of direct DOM mutations over replacing HTML?

---

2. What low-level noise do JavaScript frameworks abstract away?

---

3. What essence do JavaScript frameworks elevate?

---

4. Very broadly speaking, how do most JS frameworks achieve abstraction?

---

---

5. What is the most important part of learning a JS framework?
